COLCORD PRESBYTERIAN CHURCH

Serving God, Loving People

A Lifesaver in Every Building

AED Sponsorship Project: Sanctuary · Fellowship Hall · Manse

Why we're doing this

When someone's heart suddenly stops, the minutes before the ambulance arrives matter most. An AED (automated external defibrillator) is a small machine that anyone can use. It talks you through each step and gives a shock if the heart needs one.

Our buildings are used for more than Sunday worship: Bible study, fellowship meals, community groups that meet during the week, and neighbors who rent the Fellowship Hall. We want an AED in each of our three buildings, ready for anyone who needs it, from our oldest members to the smallest children. We're asking our neighbors, local businesses and friends of the church to help.

What each sponsorship provides

Each unit is the **ZOLL AED 3 Corporate Value Package**, set up as **fully automatic** so that any member can use it without training on which button to press:

- **ZOLL AED 3 defibrillator**. A color screen and spoken instructions walk the rescuer through every step, with live feedback on CPR depth and rate. 8-year manufacturer's warranty.
- **CPR Uni-padz III pads**. These work for adults *and* children, including infants. A Child button switches the AED to a lower, child-sized shock, so no separate pads are needed.
- **Long-life battery** and **soft carry case**
- **Wall cabinet with alarm and strobe light**, so the AED is easy to find and an alarm sounds when the cabinet is opened
- **3D wall sign, window decal and inspection tag**
- **Physician medical direction and program management** (Arch). A licensed physician oversees the program as West Virginia law requires. It also sends monthly reminders to check each unit and alerts us when pads and batteries are about to expire.

How you can help

Gift	What it does	Amount
Sponsor one unit	One complete AED station for one building	$2,695.99
Sponsor two units	Two of the three buildings	$5,391.98
Sponsor all three	Every building covered	$8,087.97
A gift of any size	Every dollar is added to the AED Fund until the goal is met	Any amount
Project goal (3 complete AED stations)		**$8,087.97**

Sponsors can be a business, a family, a group, or one person. Unit sponsors will be recognized with a **plaque beside their cabinet**, on **our website**, and on **our Facebook page**. Every gift is kept in a separate **AED Fund** and used only for this project. That's a promise, and we keep it. If the goal is met before your gift is used, we'll do what you choose on the form: return it, or put it toward our next project. If you don't choose, it stays with the AEDs for upkeep and replacement parts. You can follow our progress at **colcordpc.org**.

Our plan: researched and laid out

We've done our homework. This table shows where things stand:

	Step	Status
✓	Picked the AED: ZOLL AED 3, fully automatic	**Done**
✓	Confirmed it's safe for children and infants (Child button, ZOLL operator's manual; American Heart Association guidance)	**Done**
✓	Chose the locations: Sanctuary, Fellowship Hall, Manse	**Done**
✓	Reviewed West Virginia's AED law (W. Va. Code §16-4D-3) and chose a package that includes the required physician medical director	**Done**
✓	Priced the complete package: wall cabinet, sign, decal, inspection tag	**Done**
✓	Approved to raise funds	**Done**
☐	Raise the funds through sponsors and gifts	Under way
☐	Order the three units	When funded
☐	Mount the cabinets and signs in all three buildings	After delivery
☐	Set up physician medical direction	After delivery
☐	Register the program with the WV Office of Emergency Medical Services and notify local EMS and 911	After delivery
☐	CPR and AED training for members (American Heart Association or Red Cross course)	Finding an instructor
☐	Monthly unit checks, with a written log	Ongoing once installed

Yes, I'd like to help!

☐ Sponsor 1 unit ($2,695.99) ☐ Sponsor 2 units ($5,391.98) ☐ Sponsor all 3 ($8,087.97)

☐ A gift of $ _____ toward the AED Fund

Name / Business: _____

Name to show for recognition: _____

☐ You may list my name on the website and Facebook ☐ You may also list my amount

If the goal is met before my gift is used: ☐ Return it to me ☐ Put it toward the next project

☐ Please send me a letter for my gift or sponsorship

Phone: _____ Email: _____

Please make checks payable to **Colcord Presbyterian**, with **"AED Fund"** on the memo line.
Mail to: **Colcord Presbyterian Church, P.O. Box 227, Dorothy, WV 25060**
Questions? Email **church@colcordpc.org**, use the contact form at **colcordpc.org**, message us on Facebook (**Colcord Presbyterian**), write to the P.O. Box above, or see us at church on Sunday at 10:00 a.m.

Prices are AEDSuperstore's listed prices as of November 10, 2026, and may change before we order. Shipping is free. Medical direction is a yearly subscription that the church will renew as part of upkeep.
